Before this Group Enrolment form is submitted, new and returning adult residents should first visit an Insurance Corporation of BC (ICBC) driver licensing office to request a Photo BC Services Card. You can book an appointment to visit an ICBC driver licensing office at a location and time that suits you. For more information, please visit icbc.com/appointment. If you are unable to make an appointment, walk-in services are available at all ICBC driver licensing locations. Check the ICBC website for office hours at your desired location. 5 IMPORTANT INFORMATION

• **IDENTIFICATION:** You must send with your application: photocopies of documents that support the name and Canadian citizenship or immigration status for all persons listed. Eligibility cannot be determined without this documentation. Canadian citizens and holders of permanent resident status (landed immigrants) returning from the USA may also be asked to provide evidence of having established residence in BC and/or having abandoned their status in the USA.

If any person is not enrolling under the name shown on his/her citizenship or immigration document, please also submit a photocopy of a legal document (for example, a marriage or name change certificate) that indicates the name shown on this application.

- **RESIDENCY:** If you expect to leave the province for more than 30 days in total during the next 6 months, a letter outlining your planned dates of departure and return, destination and the reason for your absence is required with this application. Failure to provide this information may affect eligibility for benefits.
- **EFFECTIVE DATE OF BENEFITS:** New and returning residents must complete a wait period before health care benefits begin. Generally, this period is the balance of the month of arrival in BC, plus two months. If absences from Canada exceed a total of 30 days during the wait period, eligibility may be affected. Applications should be submitted immediately on arrival in BC, not at the end of the wait period. If you apply late, the effective date of benefits will be determined by MSP.
- **OUT-OF-PROVINCE STUDENTS:** Residents who leave BC temporarily to attend school or university may be eligible for MSP coverage for the duration of studies, provided they are in full-time attendance at a recognized educational facility.
- CANCELLATION OF BENEFITS: If you will no longer be a resident of BC, you must notify Health Insurance BC that this is the case, and provide your date of departure from the province and your new address.
- CHANGE OF NAME OR ADDRESS: Health Insurance BC must be notified immediately of any change of name or address.
- **LEGISLATION:** All information is subject to change in accordance with the *Medicare Protection Act* and Regulations and the *Hospital Insurance Act* and Regulations. If a discrepancy exists between the information Health Insurance BC has provided on this application and the legislation, the legislation will prevail.
- **SUPPLEMENTARY BENEFITS:** MSP supplementary benefits provide partial payment for certain medical services obtained in British Columbia and may provide entitlement to the Healthy Kids program and waiver of ambulance fees. For more information about eligibility and how to apply, visit www.gov.bc.ca/MSP/supplementarybenefits.
